Dear Sir:

I am writing to get some information from you, that will help me to decide whether or not we may be able to lay a few games in Atlantic City this year.

First of all, what park would we be able to use, and what condition is it in? Also what rent would we have to pay? I am sure there are no lights in the park, and I doubt if there are any portable ones around. In view of this fact, do you think twilight or Saturday afternoons would be most profitable.

I will appreciate hearing from you as soon as possible. I really should have written you before now. It is possible we would be able to get a team to come with us during the week of May 22nd .

Very Truly Yours
